## Parish Council

The Parish Council would like to know the views of the residents of the village with regards to a gym in the Village Hall Park. We are envisaging purchasing a small number of exercise equipment to be located outside the Village Hall which will be available to use for all the residents in the village and anyone visiting the parish. Please let us know if you would be interested in using the equipment and if there is any merit in the Parish Council purchasing the equipment. Contact the clerk@bruisyard.com.

Bruisyard Parish Council would like to say a huge thank you to David Barham for his hard work in keeping the village's verges under control. David has been working tirelessly in ensuring that the verges are always trimmed to ensure good road visibility.

Bruisyard Parish Council is meeting every other month and all village residents are welcome to attend. The next meeting is Monday 13 November, 7pm.
