Paul Church proposed that Stephen Roberts be appointed as internal auditor and John McKee seconded this proposal. The audit will be carried out between 5th and 15th June and the public right to examine the books will commence 17th June.

5. Planning Application D/C19/2030/PN3:- the conversion of 2 barns, A and B at High House Farm, Bruisyard. The Members examined all the documents and noted:-

- The buildings are marked on maps from 1977 onward.
- The only residence in the village to be affected by any development would be the applicant's house, High House Farm when vehicles access the properties. The buildings do not overlook any residential properties.
- The proposed look of the final development would blend into the rural setting of the buildings
- The building appeared to be in good order

With the above points in mind the Members voted to support the application

There being no other business the meeting was closed at 8:00pm
